8th May 2015

Dear Parents

On Thursday 21st May students from Science 8B will be going on an excursion to Long Beach and Blinking Billy Point in Sandy Bay during periods 3 and 4. This will be the culmination of their geology unit in which they will observing different forms of rocks and the geographic formations in which they are found.

Students will leave school at the beginning of recess and return during lunchtime.

Students are to where their sports uniform and bring the following:
- Packed recess/lunch
- Sturdy footwear
- Rain Jacket

If you have any questions or concerns, please do not hesitate to contact me at the College.

Yours sincerely

Andrew Baker
Science Teacher
