February 23rd 2015

Dear Parents

On Thursday March 5th the Year 11/12 Life Science class will be going on an excursion to Bonorong Wildlife Sanctuary at Brighton.

Students will be studying the diversity of Tasmanian wildlife, feeding relationships, wildlife rescue and native animal nutritional requirements. Students will be leaving the College at 10:40am and returning at 1:30pm on Thursday March 5th. They will be travelling by bus to and from the Sanctuary.

Students are to wear their sports uniform with track pants, not shorts. They should also bring a warm, waterproof jacket, sunhat and sturdy, lace up shoes. They should also bring their recess, lunch and a drink.

Please complete the attached permission slip to confirm that you are aware of the arrangements and give permission for your daughter to attend. Students who do not return their permission information will not be able to attend the excursion. Permission slips are to be returned to Miss Jungalwalla by Monday March 2nd 2015.

If you have any questions or concerns, please do not hesitate to contact me at the College.

Yours sincerely

Miss Tanaz Jungalwalla

Life Science Excursion – March 5th 2015
Please return to Miss Jungalwalla by March 2nd 2015

I have read the attached letter and give approval for my daughter to attend this excursion.

Student’s Name ________________________________

Please tick here ☐ if your daughter has any health concerns that are relevant to this excursion. We will ensure to follow up on these.
