10th August 2015

Dear Parent/Guardian

There is a fantastic opportunity for your daughter to attend the inaugural Festival of Bright Ideas held at PW1 on Friday 14th August 2015. It is a festival of science, technology and innovation and the Year 7D Science students will have a chance to see exciting displays, participate in interesting hands-on activities, listen to celebrity speakers and mingle with real scientists. The festival program can be viewed at https://www.eiseverywhere.com/ehome/festivalofbrightideas/home/?& . The festival is a showcase of Tasmania’s innovative and exciting science sector.

The students will need to have a packed lunch as they are getting a bus from the Domain after P.E. and then head to Salamanca to eat their lunch before entering the Princess Wharf 1.

Please sign your daughter’s diary by August 13th to give your permission for her to attend this excursion.

If you have any further questions or would like to attend on the Friday or Saturday email me on jcrowden@smc.tas.edu.au

Kind regards

Miss Jennifer Crowden
