Dear Parent/Guardian

Your daughter has elected to do Health Studies Level 3 this year. Some of the allocated material that is critical to the syllabus is quite sensitive and may be contrary to the Catholic ethos. The material will include:

- Risk taking
- Drugs
- Sexuality
- Contraceptive methods

Girls will be doing assignment work on these topics, and we therefore require your consent. Please feel free to call me should you have any queries.

Thank you for your cooperation in this matter.

Yours sincerely

Jane Whitfield
Health Studies Teacher

I give permission for my daughter to do Health Studies this year, and understand that sensitive material will be covered in the course of the year.
