Dear Parent/Carer,

NEW ENROLMENT TERMS AND CONDITIONS

It has always been our aim to provide your family with the best possible educational experience at this school, in keeping with the teachings, beliefs and principles of the Catholic Church. Over the last few months, as part of a review of the Tasmanian Catholic Education Commission’s Enrolment Policy, we have revised our practices for enrolment and invoicing, as well as our privacy and credit collection policies.

As always, the commitment to our families is that no child will be denied a Catholic education due to financial hardship. Therefore, while there will be some administrative changes at the school, we will continue to work with all of our students’ families to ensure that the pastoral needs of our students are met.

As a result of the review process, we are introducing new Terms and Conditions of enrolment which will take effect on 1 February 2015. These Terms and Conditions will apply to all current enrolments continued in 2015 as well as to new enrolments.

A full copy of our new Terms and Conditions is enclosed, and you should read them carefully. To summarise, the key changes which you should be aware of include:

- a new and consistent policy for handling hardship and special payment arrangements;
- legal responsibility for payment of fees will rest jointly and severally with both parents/guardians, regardless of previous arrangements;
- where fees are not paid in time interest may be applied and you may be required to pay any debt recovery costs incurred;
- notice of ten weeks is required before withdrawing students; and
- an updated privacy policy will apply to the school.

By signing and returning the attached form, you will be indicating your acceptance of the new terms and conditions.

Please note that it is our strong preference wherever possible that **both parents/guardians** sign the attached form even where only one parent has signed the existing enrolment for your child or children. It is permissible for each parent to sign a different copy of the form, and a copy of this letter has been sent to both parents named on your child’s current enrolment, where parents have different addresses.

We would be grateful if you would please complete the form and return to your child’s class/homeroom teacher on the first day of Term 1 2015.

If you have any concerns about the Terms and Conditions, please contact the school office on 6108 2560 before 1 February 2015. We would be happy to discuss the incoming changes with you further.

Yours sincerely

Mr Tom Dorey
Principal
