11th March 2016

Dear Parents/Guardians,

A visit to the Tasmanian Parliament House has been planned on the 23rd March for Law and Politics students as part of their unit on Government and Democracy.

Students will walk to Salamanca Place and arrive at Parliament House at 9.10 am. At Parliament House, students will tour the House of Assembly and Legislative Council. This is an excellent introduction to Parliament’s role in making laws. The tour finishes at 10.30 and students will walk back to the College by the start of period 3.

If you have advised the College that your daughter has a medical condition please ensure that we are also advised of any changes to this condition by either email (studentmedicalinfo@smc.tas.edu.au) or phone (6108 2560). The College relies on this information to ensure your daughter’s safety and wellbeing whilst at school.

This excursion is an integral part of the curriculum and supports our learning and teaching program. If you consider your daughter has a valid reason for not attending this activity please let me know by emailing me at adeconinck@smc.tas.edu.au.

Yours sincerely

Angela Deconinck
Teacher (Law & Politics)
