2nd October 2015

Dear Parent/Guardian

RE: Year 7 Orientation Afternoon

I am writing to invite your daughter to the Year 7 Orientation afternoon on Wednesday 25th November 2015, from 4.00 – 5:30 pm.

The purpose of the Orientation is to give your daughter the opportunity to meet other Year 7 students in a relaxed atmosphere and to familiarise herself with the Senior School environment.

As the afternoon commences at 4.00pm the girls can remain on campus until this time, remain in their uniforms and then meet with everyone in the Nagle Centre, where they will participate in games and will be addressed by some of our current Year 7 students.

Parents are invited to meet their daughters in the Nagle Centre at approximately 5.15pm and join with them for some light refreshments.

Students need to collect a named information package before they leave the orientation session.

Please note that our second hand book sales will be held on Thursday 10th December 2015. A booklist will be included in your orientation pack.

The uniform shop will also be open from 3.00pm – 6.00pm if any parents wish to purchase or order uniform items.

There will be a formal Information Evening for Year 7 parents early in 2016 which will give parents the opportunity to meet with Home Room teachers. General information about the curriculum, pastoral care, extra-curricular activities and the general running of the school day will be outlined.

Yours sincerely,

Cathie Owens
Year 7 Coordinator (2015)
