17th February 2016

Dear Parent/Guardian

On Monday 22nd February 2016, all Year 8 students will be participating in an Activity Day.

We view this Activity Day as an important part of your daughter’s education at St Mary’s College. The activities focus on developing skills of cooperation, initiative, communication, goal setting, leadership and conflict resolution in a fun and challenging environment.

During the morning, students will walk to the Rock It Climbing Centre, in Bathurst Street. They will rotate through a range of activities designed to encourage the girls to work in teams as well as recognise strengths, weaknesses and opportunities. In the afternoon, Year 8 students will participate in trust building games to empower one another and to deal with fears and insecurities.

Students will arrive and depart school at usual school times. They are required to wear full PE uniform including hats as well as bringing a packed lunch.

Please note: As a part of the permission process, Rockit requires parents to fill in their indemnity waiver form online. Please access the following link and do this. Please note: St Mary’s teachers cannot sign this form on behalf of parents.

Please complete the permission slip below and return it to school by Tuesday 16th February 2016 and access the following link to complete the indemnity waiver for Rockit Climbing Centre.
