8th March 2016

Dear Parents/Guardians,

Last week, Year 9 students were given a choice of activities to participate in on the second day of camp, Thursday 17th March. This gives students the opportunity to learn new skills, overcome challenges and work with other students. Students selected three activities out of the following: surfing, kayaking, fishing, art, cooking and bike riding.

Your daughter has chosen to participate in kayaking and/or surfing, which require a certain level of swimming competency to undertake the activity safely. In both activities, students will be supervised by two qualified instructors as well as by two St Mary’s College staff members.

Students will be given a safety briefing before beginning the activity and will be supervised at all times.

Should you have any queries or concerns about your daughter participating in either of these activities, please contact me via e-mail ggoldsworthy@smc.tas.edu.au

Kind Regards

Gillian Goldsworthy
Year 9 Coordinator
