</tr>
<tr>
<td>Capital Works Levy</td>
<td>$150.00 / year (per student)</td>
</tr>
<tr>
<td>ICT Levy (Grades 7 – 12)</td>
<td>$300.00 / year (per student)</td>
</tr>
</tbody>
</table>

Note: The ICT Levy is only charged to those students who are provided with a Tablet/Laptop device at the beginning of each year. In 2015 this will be Year 7 to 12 Students.

Building Fund

Each year, families are invited to make a payment to the Building Fund according to their financial capacity. Payments to the Building Fund are tax deductible.

Fee Payment Guidelines

1. Fees are to be paid in full by close of business Friday 27th February 2015. If you instead elect to make payments via monthly instalments it is expected that the amount will be paid in 10 equal payments between February and November. Failure to make the required payment amount without contacting the College by the due date will result in your school fee account being handed to The Fee Committee for further action.
2. The College’s preferred method of payment is Direct Debit (bank or credit card), fees can also be paid via Cash, Cheque, Credit Card, BPAY, Centrepay and via the College Website.
3. 10 weeks’ notice must be given to St Mary’s College in writing if a student leaves, otherwise the following terms fees are payable in full.
Information about Fee Payments

Payment Terms
In addition to State and Commonwealth grants, the fees and levies paid for each student are vital for the continued operation of the College. The Commonwealth Government requires each school and college to generate private income to underpin the government’s continued assistance.

Please contact us if there is a reason for delayed payment of fees and levies.

Invoices will be issued to you early in the new school year. Full payment is due 27th February 2015, unless other arrangements are made with the College, the College will allow payment of the account to be made in 10 equal payments each month from February to November.

Please note that any payment arrangement entered into is purely administrative.

Notwithstanding the amount invoiced, in the event of default on payment arrangements the total amount outstanding will become immediately due. The College reserves the right to take steps to recover payment in full.

Direct Debit Forms
Please note that direct debits need to be established annually, please complete the appropriate form and return no later than Friday 13th February 2015. If you have any queries with regards to direct debits please contact the Business Office.

Family Discounts
Family discounts apply to families who have 3 or more children enrolled at Catholic schools. Families must apply for discounts each year. Discounts do not apply to Kindergarten and associated charges and levies. The discounts are:

- 10% discount – For 3 children at Catholic schools
- 20% discount – For 4 children at Catholic schools
- 30% discount – For 5 or more children at Catholic schools

Tuition Fee Variation
Tuition fees may be varied in two ways: extension of time for payment; or reduction of level of payment. This policy has been developed to assist families experiencing genuine financial hardship and is applicable even if a family discount has already been granted.

An application for variation of College Fees can be used (on an annual basis) by parents/guardians to apply for assistance. The forms are available from the Business Office for 2015 and should be returned to the Business Manager as soon as possible but no later than 15th December 2014 for consideration by the Fees Committee. Please note discounts do not apply to levies.

Extra-Curricular Activities
It is College policy that applications for students to attend non-essential extra-curricular excursions or activities will not be accepted if all due tuition fees and levies have not been paid.

Intermittent Absences
St Mary's College policy regarding intermittent absences from school is that normal fees will be charged if the student’s place in the College is reserved during absence. Students undertaking other College-sponsored programs are deemed to be attending College and normal tuition fees and associated charges are payable.

Capital Works Levy
St Mary's College is committed to continually improving the educational facilities for our students.

Building Fund
Each year, families are invited to make a payment to the Building Fund according to their financial capacity. Funds raised through this program are used to make improvements to, or undertake small building projects that are not otherwise affordable. If, for example, each family donated $200 each year, St Mary's College would have around $130,000 additional funds to undertake projects such as music and drama extensions and classroom refurbishments. Parents will be invited to donate to the Building Fund at the beginning of each year. Please note these Building Fund donations are tax deductible.
