**ST MARY'S
COLLEGE**

College rolls up sleeves for war on waste

Students at St Mary's College are getting ready to do their bit for the environment with the College's Sustainability Fair taking place on Thursday 6 December 2018.

- What:** St Mary's College will learn how to tackle the State's growing waste issue at the College's biennial Sustainability Fair, offering a day of practical hands-on learning which will equip students with the tools and techniques to create environmental changes in their community.
- Who:** St Mary's College students (Kinder – Year 9) and teaching staff will welcome food trucks offering local produce served in biodegradable packaging. A panel of leading sustainability experts will address the College.
- Where:** Nagle Centre and College Green, St Mary's College, 164 Harrington St, Hobart.
- When:** Photo and interview opportunities are available on Thursday 6 December from 11.00am-1.30pm.
