ST MARY'S
COLLEGE

St Mary's College exhibition to showcase the visual arts

St Mary's College is pleased to announce the opening of its annual student art exhibition at St Peter's Hall and art rooms, 164 Harrington Street, Hobart. The exhibition opening is Thursday 17 November from 6.00pm-7.30pm.

St Mary's College Principal Helen Spencer said the students' works demonstrate maturity and an understanding of concepts and themes.

"It's with a great deal of pride we welcome the College community and public to view the immense array of works on display," she said.

The exhibition showcases student artworks that have been produced throughout the year. The works include painting, sculpture, graphic design and photography from students in Year 9-12.

Head of Arts, Scott Weston, stated that this once a year event will also be where the annual art acquisitions for the College will be announced.

"Acquisitions mean students in Year 11 or 12 will be invited to have their work displayed within the College as part of our growing collection of artworks by current and former students," he said.

"It's a privilege to be involved with and teach such dedicated students, yet it is a greater gift to us to acquire and show the works permanently within the College."

Members of the public along with the College community are all welcome to attend the exhibition opening on Thursday and celebrate our emerging artists with students, parents and staff members.
